**Re: Matteo Iron and Metal, Inc. Superfund Site**

Dear Mr. Fletcher:

Enclosed is the final Administrative Settlement Agreement and Order on Consent ("Settlement Agreement"), Index Number II-CERCLA-02-2006-2013, in regard to the above-referenced site.

Kindly review the Settlement Agreement and have it signed by the appropriate representative for your client. Please return the signature page only via facsimile at 212-637-3096. This will enable the Environmental Protection Agency ("EPA") to proceed with the concurrence process and postpone any further delay. Under separate express mailing send the complete Settlement Agreement with the original signature pages.

Be advised that this Settlement Agreement is subject to the approval and execution by the Director of the Emergency and Remedial Response Division of EPA, Region II before it will be considered an effective and binding document.

I can be reached at 212-637-3140.

Thank you for your attention to this matter.

Sincerely,

Damaris Urdaz Cristiano
